The St. Barth Kids Concierge is getting a make-over

SOON YOUR NEW ONLINE BOOKING SITE

For more than 10 years now, the Kids Concierge in St Barth has been offering original and innovative entertainments for your family events with tailor-made activity schedules to enhance your holiday.

Our team members, professionals passionate about their profession, have become over the years, true creators of happiness!

Among all our programs of activities and great games, you will love this year's Back to Basics Program on the theme of Nature, Recycling and Gardening, in partnership with La Main Verte.

Each Holiday becomes an unforgettable family event. Our only goal is to fulfill the wishes and desires of children, to put smiles on their lips and stars in their eyes by offering them unique moments created hand in hand with their parents.

Thanks to My Little Circle, we offer a complete network of "Kids-Friendly" partners and a wide range of activities, services, games and leisures dedicated to families in one place.
